Learning Journals

As you are aware we keep detailed records on the development of your child, including great photos of some of the activities they take part in. We really encourage you to come in and see the journal and chat to your child's key worker. You can request to do so at any time or you can make an appointment so that the key worker can allocate their time to suit you.

Rising 5's

Within our morning session's we are allocating time to our rising 5's. The activities and conversations are geared to support the children in their preparation for Primary School in September.

We are handing out certificates for various achievements!

You will be notified by your allocated Primary School with specific lunches and open days.

Letters have gone out about P.E. changing practise. This will be weeks beginning the 10th and 17th June, so please return the permission slips and make a note in your diary to bring in the clothing requested.

Clothing

Please can we ask that a complete change of clothes is supplied for each child. We have a limited stock and would prefer to use these as a last resort. As we do have a lot of creative activities, there is a greater need for a change of clothes.

If your child is in nappies/pull up's, please can you supply extra nappies/pull up's and wipes. Several spare sets of clothing are also beneficial if your child is being toilet trained.

Please make sure your child wears appropriate shoes (no flip flops) and a named sun hat. Please remember to apply sun cream before coming to pre-school.

Water Bottles and Lunch boxes

We are still finding that not all water bottles and lunch boxes are named. Please do make sure that you put your child's name on these to avoid any confusion.

Packed Lunches

Please can you make sure if you pack grapes in your child's lunch box, that they are cut up lengthways, as children can choke on them with fatal outcomes.

In accordance with our Healthy Eating policy, we would ask that you **do not include** any chocolate, sweets or fizzy drinks, nuts or nut products in your child's lunch box.

As with water bottles please make sure that the lunch box is clearly marked with your child's name.

Reminder

Just to remind you all that our collection times are:

12:15pm, 1pm and 2:45pm.

Unless you have made prior arrangements, please adhere to this as it disturbs the session. The staff are sometimes unable to answer the door at short notice.

We are amending our late collection policy. This will include the right to charge £10.00 for every 15 minutes that staff have to wait with a child after the session finishes.

Absences

If your child is unwell, please look at the guidelines, if you are unsure if your child should be at pre-school.

If your child is unable to come to pre-school please text us on the pre-school mobile 07984 935193 in preference to leaving a voicemail as it costs us to retrieve the message.

Please do not contact members of staff personally or leave messages over social media.
